DONAU

Share location on iPhone for the FRED app

On the iPhone, you need to grant permission for location tracking in two places:

1. Go to Settings -> Privacy & Security -> Location Services

- Open your Settings.
- Select 'Privacy & Security'.
- Select 'Location Services'.
- Select 'Safari Websites' from the list of apps.
- Under "Allow Location Access", select "While Using the App".

2. Settings -> Select Safari from the list of apps -> Go to Location

- Open your Settings.
- Select 'Apps'.
- Select 'Safari' from the list of apps.
- Under 'Settings for Webstes', tap 'Location'.
- Under 'Location Access On All Websites', select either 'Ask' or 'Allow'.
